

A MAP MAZE

Here is a map of the Point Breeze section of Philadelphia. All the bears have escaped from the Philadelphia Zoo. They are all taking naps in Point Breeze, blocking many of the roads.

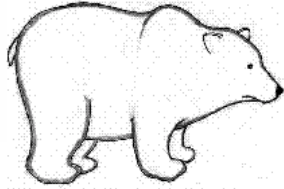

The dots represent the bears. The star marks the **John Gloucester House After School Program**. See if you can find a clear path from the **START** to the **John Gloucester House** (the ☆).

If you think you're good at mazes, try the harder one on the next page.
