

# CRAFT: POPSICLE STICK PUZZLE

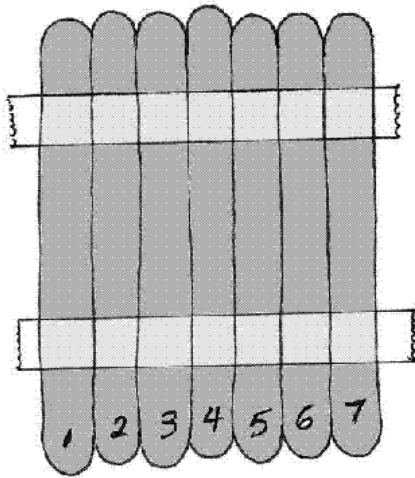

## Supplies:

7 to 15 popsicle sticks per student  
tape  
markers  
paints and / or crayons

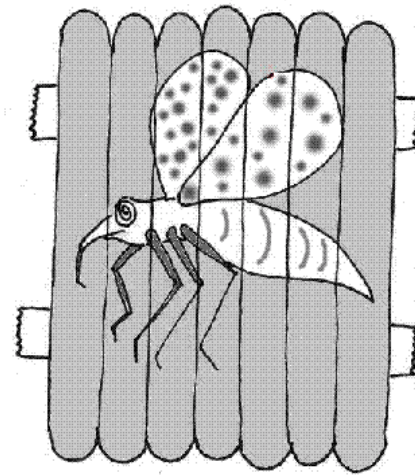

?

- 1.** Tape 7 to 15 popsicle sticks close together. Number the sticks. Then flip the sticks over.

- 2.** Draw a picture on the sticks with a felt tip pen. Color your design with colored markers, poster paints, or crayons.

- 3.** Remove the tape and mix up the pieces. Try and put the pieces together again. Exchange your puzzle with other students. The numbers in the back will help you if you get stuck.
