

PRACTICE YOUR

Signature

Do you have a signature? You can make one. Your signature can be bold, or delicate, fancy or very simple. It can be silly or very elegant. Most signatures are in cursive, but if you don't know cursive yet, you can still make an interesting signature. Have fun experimenting! Once you get a signature you like, use it for the autographs on the next page.

George Washington

Terrell Owens

Benjamin Franklin

Shaquille O'Neill

GOODBYE TO ONE MORE YEAR OF AFTER SCHOOL!

AUTOGRAPH PAGE

This is the last issue of **Hip, Hip Hooray** for this **After School Year**.

We hope you had a wonderful year!

Before you leave for summer vacation, get some autographs! Write short messages to each other and sign your names.

See you again in September!
