

HOW TO MAKE

LETTERS

THREE SIMPLE STEPS:

1. Write your name normally, **in pencil**, but leave extra space between the letters.

N y e s h a

2. Then, use **ink or marker** to trace around your letters.

N y e s h a

3. Finally, erase the pencil letters. Your name is now in block letters!

N y e s h a

Once you get good, try overlapping your letters. Experiment with different kinds of lines.
