

FUN WITH INITIALS

It is fun to make fancy initials of your own name. Can you guess whose initials these are? (answers on next to last page)

These initials belong to: _____

These initials belong to: _____

Make your initials - or your whole name - in fancy letters. Send your name-art in to be published in the next issue of Hip, Hip Hooray.

TIP - How to make block letters: Write your name normally, in pencil, but leave extra space between the letters. Then, use ink or marker to trace around your letters. Finally, erase the pencil letters. Your name is now in block letters! If you want bubble letters, just trace more roundly.
