

Get  
three-in-a-row  
just  
like regular  
tic-tac-toe.

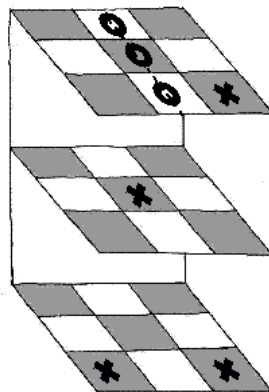

# 3D tic tac toe

What's different is  
the **3D board**.  
Use  
the boards  
on the next page.

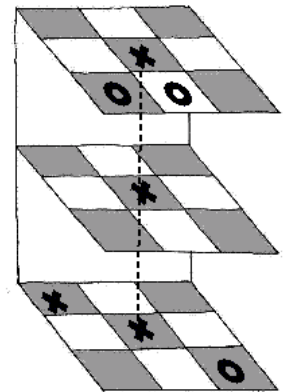

Here are some examples of ways you can win:

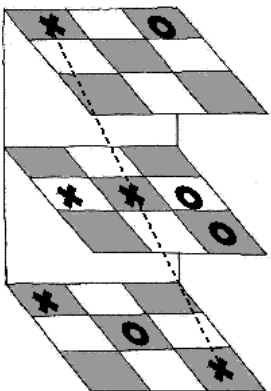

**O** wins on a 3D diagonal  
down the left side.

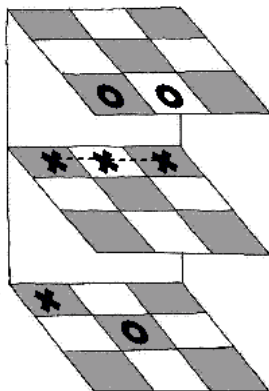

**O** wins down the middle  
of the top board.

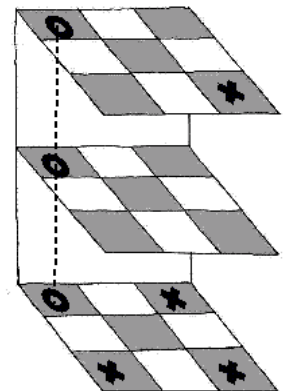

**X** wins on a 3D vertical  
down the middle.

**O** wins on a 3D diagonal  
from the top left to the  
bottom right.

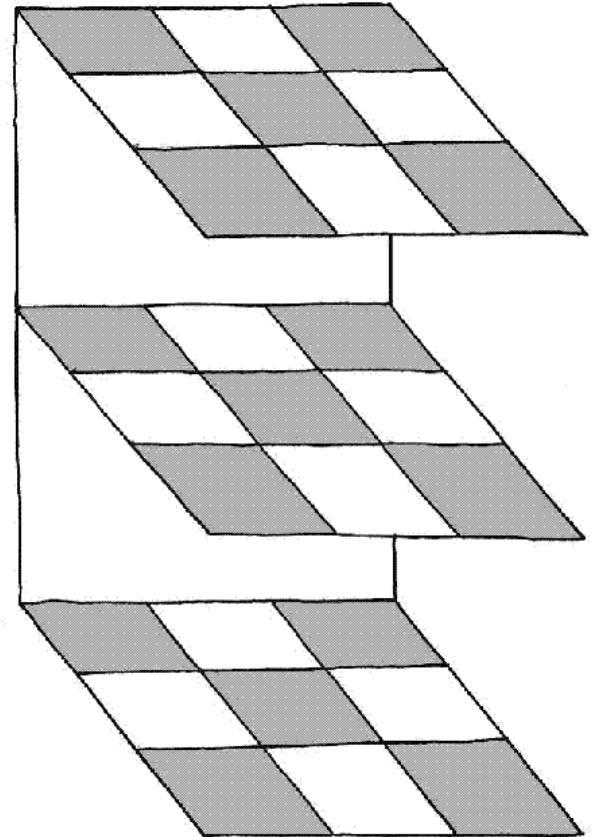

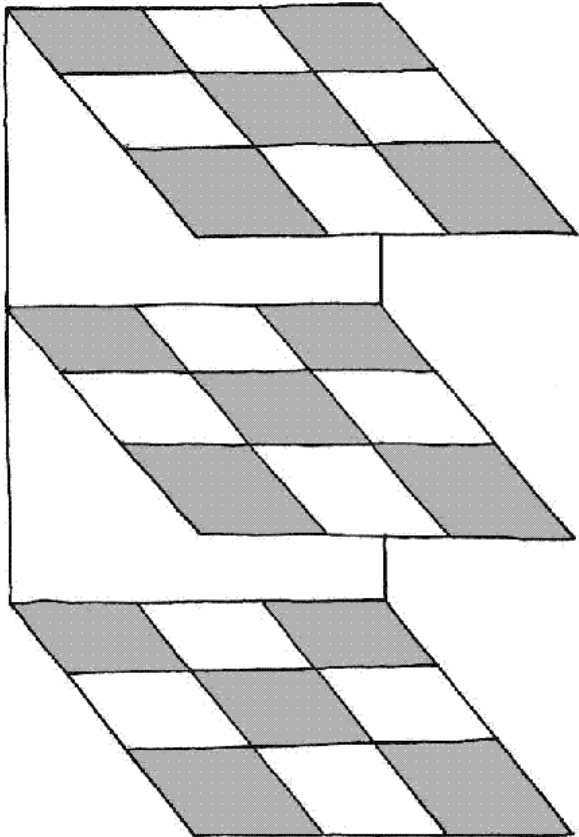

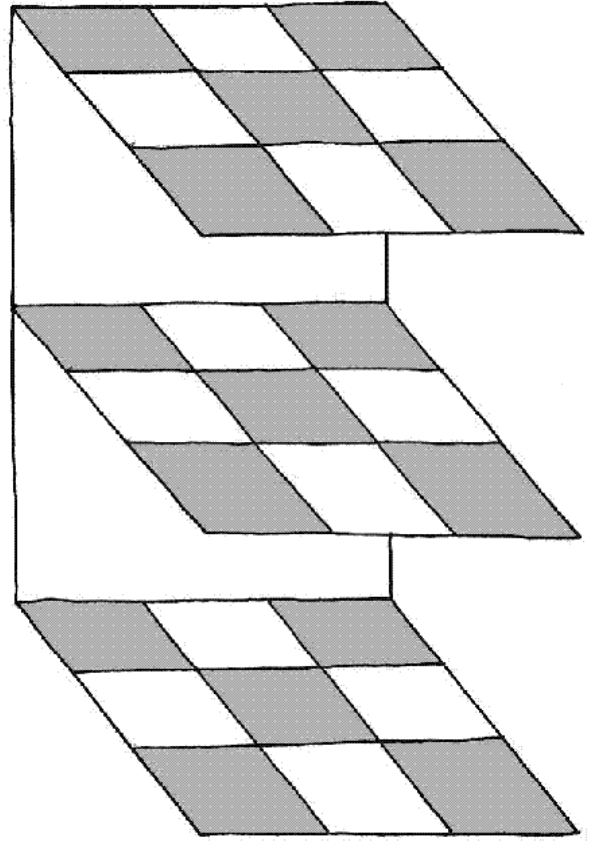

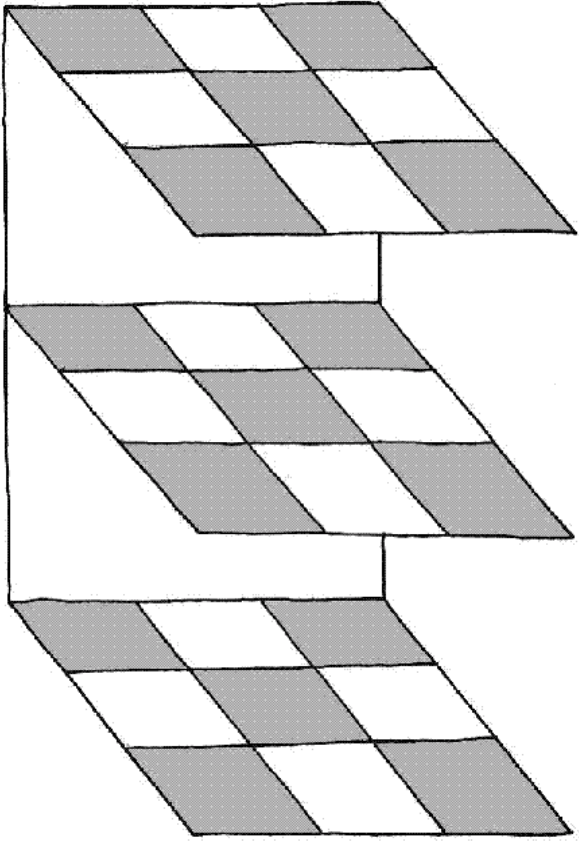

**X** wins across the back  
of the middle board.

**O** wins on a 3D  
vertical down the left  
side.
