IDEAS for having **FUN** with your children

Make your own Wordsearches

You and your child can each make your own word-searches. Challenge each other by trading puzzles and solving the other's searches.

Extra: To help your child practice his/her weekly spelling words from school, try putting the words into a wordsearch. Your child can make the spelling word puzzle or solve one you make for him/her.

K	P	K	H	R	N
J	N	X	I	U	F
D	W	O	R	D	E
S	E	A	R	C	H

Give your finished word-search to each other to solve.
